Credit interest is a fixed rate set internally by the Bank and not linked to an external reference rate.

Gross is the interest rate paid before the deduction of tax.

Annual Equivalent Rate (AER) illustrates what the interest rate would be if paid and compounded each year. Interest will normally be paid after deduction of tax at whatever applicable rate is required by law.

Currency Borrowing

Interest Rates

Rates as of 29th January 2025.

Currency borrowing

The interest rate charged on your currency borrowing will be set at a margin above the relevant currency reference rate. Details of the margin can be found in your overdraft facility letter or can be obtained from your Relationship Manager.

Unarranged Currency Overdrafts

Any currency current accounts that enter an overdrawn position which creates an unarranged overdraft, will be charged at a margin of **10%** above the relevant currency reference.
